Church Women Mark 'World Community Day'

"World Community Day" services were held this year for the first time Friday, Nov. 8 at the Holy Faith Episcopal Church of Inglewood, under the auspices of the newly formed Centinela Valley Council of Church Women.

"Recognizing that our world is one great community with common problems and interest is the concern of the Christian people in our nation and we cannot detach ourselves by mere indifference without grave consequence," was the keynote sounded by Rev. R. Murray Jones, of the Presbyterian church.

Mrs. Reuben Pieters stressed how much more Christian women can do. "When our relationship is right in our own homes and with our own neighbors then it is natural for our love to expand to other peoples of the world," she said.

Ministers participating in the services were Rev. Roger W. Coons of Seventh Day Adventist Church of Hawthorne and Rev. Ralph V. Hinkle of the Holy Faith Episcopal Church of Inglewood.

The luncheon before the services was made possible through the cooperation of the Women's Guild of the Holy Faith church with Mrs. R. V. Hinkle, Miss Lucille Richards, Mrs. Avila, Mrs. Bradley and Mrs. Bryant as hostesses.

AIR LINE TOPS RECORDS

Western Air Lines reported that the third quarter of 1950 was the most successful period in its 24-year history.
